

**ALLO**  
REMOTECONTROL

INSTRUCTIONS

## FAAC 433 DS1, 433 DS2 & 433 DS3

### **Programming from an already activated remote control:**

1. Press and hold both buttons on the working remote control until the light flashes
2. The LED of your working remote control will flash 4 times, release 1 button and keep holding the other one
3. Press and hold in the button you wish to program on the new remote control
4. Place both remotes back to back without releasing buttons
5. The LED of your working remote control will flash 3 times
6. Release all the buttons
7. The first button of your new remote control is now programmed!
