# He2 receiver

HE2 receiver programming for channel 1:

1. Briefly press button "P" (programming button) on the receiver, the red LED starts flashing slowly.
2. Press the button you wish to programme on the hand transmitter for at least 1 second. The distance between the transmitter and the receiver should be at least 1 m.
3. Once the programming has been completed, the red LED on the receiver starts flashing more rapidly.
4. Release the button on the hand transmitter. Once the flashing stops, the receiver is ready for operation.

HE2 receiver programming for channel 2:

1. Press programming button "P" on the receiver briefly twice – the red LED starts flashing slowly, 2 blinks at a time.
2. Press the button you wish to programme on the hand transmitter for at least 1 second. The distance between the transmitter and the receiver should be at least 1 m.
3. Once the programming is completed, the red LED on the receiver starts flashing more rapidly.
